EASTER HERITAGE GALA DELIVERING THE GOODS

FRIDAY 3RD TO MONDAY 6TH APRIL 2015

Once upon a time, most goods traffic was taken by rail, before roads and lorries dominated our lives. See the workings of a typical country branch line, with goods trains and passenger trains all day long, hauled by historic steam and diesel locomotives.

Period commercial vehicles, from lorries to vans as well as classic cars, add to the scene as do shunting displays. Plus heritage bus rides, the miniature and garden railways, old fashioned fairground rides and fairground organ and an Easter Egg hunt for the children. Keep a look out for the Easter Bunnies as well!
