Trains worked by steam engines shown in blue.

A - Heritage "auto" (push/pull) train, giving a fantastic driver's-eye view of the line, hauled by ex-GWR No 6412.

B - London Transport-liveried Pannier Tank L92 (5786) with heritage coaches.

Trains worked by diesel engines shown in pink.

DMU - Heritage "bubble car" train W55000.

D - Large diesel locomotive with heritage coaches.
